

Full Name as registered in IAN: ATANU BISWAS

Qualifications:

S No.	Institution/ Place	Degree Awarded	Year	Field of Study
1.	University of North Bengal	MBBS	1990	Medicine
2.	Banaras Hindu University	M.D	2003	Medicine
3.	University of Calcutta	DM	2006	Neurology

Current Affiliation(s):

Professor and Head, Department of Neurology, Institute of Post Graduate Medical Education & Research (IPGME&R) and Bangur Institute of Neurosciences, Kolkata

Areas of interest:

Cognitive Neurology and Movement Disorders

Achievements:

- Guided more than 20 DM (Neurology) and several MD students
- Mentoring 4 PhD scholars
- Supervised 3 candidates as Post-doctoral fellow
- Carrying out clinical and basic research in neurodegenerative disorders for 20 years
- Landmark publications:
 - First study on prevalence of Mild Cognitive Impairment from India published in *Neurology* in 2007
- Principal Investigator of several research projects
- Received research grants from ICMR, DBT and DST
- Reviewer of several international journals: Neurology, Journal of International Psychological Society, BMC Neurology, International Journal of Geriatric Psychiatry, PLoS ONE, Frontiers, Gerontology and Geriatric Medicine, Acta Neurologica Scandinavica, Acta neurologica Belgica, The Indian Journal of Medical Research, Annals of Indian Academy of Neurology, etc.
- Treasurer of Association of Neuroscientists of Eastern India (ANEI) (2023-27)
- Executive Member of Kolkata Neurological Association (KAN) (2023-27)

Awards:

- (a) Received **Certificate of Merit** from Governor of West Bengal for an essay competition in 1984
- (b) Received “**Sun Pharma Award for Best Paper on Epilepsy**” at the 12th Annual Conference of Indian Academy of Neurology.
- (c) Appointed as Honorary Associate Editor of **Annals of Medical Science & Research (AMSR)** in 2021

- (d) Appointed as Honorary Associate Editor of **Frontiers of Dementia**
- (e) **Fellow of Indian Academy of Neurology (FIAN)** in 2023 (to be awarded in IANCON 2023)

Publications

Member of IAN Since (Year): 2004

Member of subsection since (Year): Since 2006

Contributions to subsection:

Worked as Convener of the subsection since 2016. Carried out several Teaching Courses in Cognitive Neurology (TCCN) in 2019-20 in various cities including Bengaluru, Hyderabad and Kolkata and also organised webinars

Why do you want to become Chair / Convener of subsection:

If I become the Chairman of the subsection, I have plans to make the subsection an active and cohesive one to engage members through various activities throughout the year. The burden of dementia is steadily rising in India due to population growth, coupled with increase in life expectancy. We need to be prepared to provide service to the needy individuals with cognitive impairment. For this we need more trained cognitive neurologists in the country.

There is a need to impart training for students on Cognitive Neurology, which we initiated but was stopped due to pandemic. I shall make sure these courses are conducted in every region at least once a year. I shall also ensure regular lectures, case discussion, and journal clubs through webinars on a monthly basis.

I will increase public awareness and care-givers support as subsection program.
