

VIKRAM BOHRA

E mail: vikrambohradr@gmail.com

Current address: #603, Fountain Square apartment, Jawahar circle, Jaipur - 302017

Contact: 07665008905

Current position:

Senior Consultant Neurology & Chief – Interventional Neurologist, Rajasthan Hospital, Jaipur

Visiting Interventional Neurologist, Rukmani Birla Hospital, Jaipur

HVS Neurologist, Central Hospital, North Western Railway, Jaipur

PERMANENT ADDRESS

Mr Ashok Kumar Bohra, 2/19, Sanket Nagar, Beawar (Rajasthan) 305901

EDUCATION

M.B.B.S. - Grant Medical College & Sir J J Group of Hospitals, Mumbai (2000 – 2005)

M.D. General Medicine – RNT Medical College & Maharana Bhupal Govt Hospital, Udaipur (2007-2010)

D.M. Neurology – G B Pant Hospital & M A M C, Delhi (2011-2014)

Fellowship in Interventional Neurology & Stroke under Dr Vikram Huded at Mazumdar Shaw Medical Centre, Narayana Health City, Bengaluru - 560099 (July 2015 –June 2017)

Visiting Fellow, Mount Sinai Hospital, New York (October 2018)

EXPERIENCE

Consultant- Interventional Neurology & Stroke, Rukmani Birla Hospital, CK Birla hospitals, Gopalpura, Jaipur-302018 (February 2020 to May 2021)

Consultant Interventional Neurology & Stroke, Eternal Hospital (EHCC), Jaipur (July 2017 to February 2020)

Consultant Neurology, Metro MAS hospital, Mansarovar, Jaipur - 302020 (January 2015 - June 2015)

Senior Resident Department of Neurology, G B Pant Hospital, New Delhi-110002 (August 2014- December 2014)

Worked as Senior Resident in Department of Medicine at RNT Medical College, Udaipur from July 2009 to April 2010

MEMBERSHIP

- Indian Academy of Neurology LM-1266
- World Stroke Organization, 3280700
- Society of Vascular & Interventional Neurology, 24972
- Society of Neuro-Vascular Interventions, SNVI/029/L
- Indian Epilepsy Society IES 312
- Indian Medical Association RAJ/11378/12/1712/242571/2017-18/CL
- International foundation for medical education and research IFM2014365584

AWARDS

- Received certificate of appreciation for flood relief efforts in Mumbai as part of "The Disaster Management Team" in July-August 2005.
- Awarded Bikaner Chapter Award for best paper presentation at RAJAPICON 2010.
- Awarded for 3rd place at Udaipur Mediquiz Award at RAJAPICON 2010.
- Runner up at Neurointervention quiz held at SNVICON Bangalore in June 2017.

SKILLS

- Managing acute stroke cases with a dedicated stroke protocol at Narayana Health City, Bengaluru. Responsibilities include clinical assessment of acute stroke, ordering immediate imaging and assessing the same, deciding and administering IV rtPA, discussing about endovascular management and assisting the same in eligible patients with Dr Vikram Huded.
- Performing cerebral and spinal angiogram under Dr Vikram Huded. Assisting in coiling, AVM & DAVF embolization, flow diverter stenting, intracranial and extracranial stenting, spinal embolization etc.
- Worked along with Dr Debashish Chowdhury in the Stroke Clinic being run at G B Pant Hospital
- Managed Headache Clinic under Dr Debashish Chowdhury at G B Pant Hospital
- Worked in the Intractable epilepsy clinic and Nerve-muscle clinic under Dr Vinod Puri at G B Pant Hospital
- Attended sessions for extra-cranial neck vessels Doppler study at G B Pant hospital, Delhi.
- Attended and observed DSA and aneurysm coiling sessions at G B Pant Hospital as part of Neurosurgery rotation training.
- Attended the First Indian Summer School of Stroke held at Shimla, Himachal Pradesh.
- Chairperson at 2nd Neurocritical care update 2017 held at Jaipur on 22nd – 23rd July 2017.
- Faculty for mechanical thrombectomy workshop at INSC 2022 held at Mumbai
- Other conferences attended include-
 - Single theme workshop-Aphasia, Indore, 2012
 - The Approach Meet, Pune, 2013
 - IANCON, Indore, 2013
 - Neurology Update, Mumbai, 2014
 - Three difficult endovascular management cases presented at Bangalore Neuro critical care Meet, June 2016

- Case presentation at 13th Monsoon meeting of India Neurointerventional Foundation, Goa, September 2016
- LINNC Asia seminar, November 2017, held at Singapore

Part of organizing committee for:

- International workshop on Epilepsy, Delhi, 2012
- IES - 7th EEG workshop - clinical perspectives, Delhi, 2012
- International workshop on Nerve Muscle Disorders, Delhi, 2013
- International Workshop on Epilepsy, Delhi, 2014
- National Symposium on Advances in Neurological Disorders, Delhi, 2014
- SNVICON 2017 held at Bangalore, India, June 2017
- Completed WHARF HIV/AIDS basic training program for Primary Care Providers in June-July, 2005.

SCOPE OF WORK:

Diagnostic cerebral and spinal angiogram

Acute stroke interventions

Intravenous thrombolysis

Mechanical thrombectomy

Evaluation and management of strokes

Carotid artery stenting

Cerebral venous sinus thrombosis management including In-situ thrombolysis and direct maceration.

Subarachnoid hemorrhage management including interventional management of vasospasm.

Aneurysm - stent &/or balloon assisted coiling, flow diverter stenting

Parent vessel occlusions

Intracranial AVM embolization

Dural arterio-venous fistula - Intracranial or spinal embolization

Carotico cavernous fistula - Direct/Indirect management

Vein of Galen malformation embolization

Balloon test occlusion

Facial tumors embolization

Pre-op embolization of various cranial and spinal tumors

Evaluation & Management of all adult neurological disorders.
