# ANNUAL SUMMIT 2025

November 15-16, 2025 • Taj Taalkutir, Kolkata

## Welcome Message

*Dear friends,*

It is our pleasure to cordially invite you to the First Annual Summit of Cognitive Neurology Association (CNA), to be held on 15th and 16th November 2025 at Hotel Taj Taal Kutir, Newtown, Kolkata, India.

Eminent Neurologists and experts from India and abroad will attend this conference to discuss advancements in the diagnostics and therapeutic aspects of Alzheimer's disease and other neurodegenerative dementias. Plenary sessions, Panel Discussions, and case-based discussions will enable us to align with the relevance and pivotal role of novel biomarkers, as well as their applications in clinical practice. We will have the unique opportunity of gaining insights from world experts on their first-hand experience of administering disease modifying therapies in Alzheimer's disease.

As we embark on an exciting journey of decoding, deciphering and unravelling the mysteries of human cognition, join us in witnessing a paradigm shift in the diagnosis and management of dementia. We expect this platform to scale new heights in fostering collaborative translational research and encouraging a multidisciplinary, holistic approach to dementia care. Looking forward to meeting you all at Kolkata, this November.

Sincerely
